Successful Six – a - Side at Blagdon

Sunday 13th was an enjoyable day for many at Blagdon Park, organised by Michelle Muir of Macmillan with much assistance from Peter & Gillian Woodley, Chris Roberts and all. There were many NEMWCL connections with Genetics (JCB), Blue Flames, Rowlands and New Hartley players and Steve Flanagan, the Woodleys and others as umpires. YAARS had applied too late for inclusion and other teams had shown interest. This charitable fundraising event was supported by the NEMWCL; Michelle attended our April meeting. John Pack supplied the trophies; team and individual trophies for the winners and trophies for the runners up were presented by Lord Ridley's son, Matthew.

In addition to personal and team donations, the Management Committee have sent a cheque for £50 Macmillan on behalf of the League. It is anticipated that all funds raised for this good cause will be used locally.
