## **Duke of Northumberland Cup Vs Northumberland League**

**Sunday June 7<sup>th</sup> at Swalwell CC** Alec Dodds is now selecting the Presidents XI; if you are keen to represent the NEMWCL then why not contact him on 487 3725!

## **Match Duration**

Although the duration of a game is flexible and dependent on the conditions around 6pm, teams should try to agree to play 16 overs games wherever possible. Given a prompt start and the length of nights, games should be completed by 8.30pm - well within any bad light issues. If teams can not agree the number of overs then the home team have the final say.

## **Arranging Fixtures; Postponements**

Despite some improvement to the weather (!) some games have not taken place owing to poor communications. All games must be confirmed, even when the home night is a fixed one. It is most important that voice to voice contact is achieved and the fixtures are confirmed by the Monday **preceding** the week of the scheduled fixture. Leaving a message by voicemail or email is OK so long as the receiver returns the message to confirm acceptance. **Postponements** should strictly only be because of an unfit ground.

## **Fines Summary**

Non-attendance at the April Meeting: now £10 fines owed by **GEM, East Sleekburn.**

Conceding Cup games: **£5: CCC, East Sleekburn and Merz & McLellan.**

Conceding a League fixture: **£5 Adders.**

***NB! All fees & fines are subject to an increase of £5 for each month they are not paid.***
