Duke of Northumberland Cup Vs Northumberland League

Sunday June 7th at Swalwell CC Alec Dodds is busy selecting the Presidents XI; if you are keen to represent the NEMWCL then why not contact him on 487 3725!

Match Duration

Although the duration of a game is flexible and dependent on the conditions around 6pm, teams should try to agree to play 16 overs games wherever possible. Given a prompt start and the length of nights, games should be completed by 8.30pm - well within any bad light issues. If teams can not agree the number of overs then the home team have the final say.

Arranging Fixtures; Postponements

Despite some improvement to the weather (!) some games have not taken place owing to poor communications. All games must be confirmed, even when the home night is a fixed one. It is most important that voice to voice contact is achieved and the fixtures are confirmed by the Monday **preceding** the week of the scheduled fixture. Leaving a message by voicemail or email is OK so long as the receiver returns the message to confirm acceptance. **Postponements** should strictly only be because of an unfit ground.

Fines Summary Non-attendance at the April Meeting: now £10 fine owed by **GEM**.

Conceding a Cup game, **£5: Merz & McLellan**, League fixture, **£5: Seaton Burn**.

NB! All fees & fines are subject to an increase of £5 for each month they are not paid.
